§ 1464. Federal savings associations

(a) In general

In order to provide thrift institutions for the deposit of funds and for the extension of credit for homes and other goods and services, the Comptroller of the Currency is authorized, under such regulations as the Comptroller of the Currency may prescribe—

(1) to provide for the organization, incorporation, examination, operation, and regulation of associations to be known as Federal savings associations (including Federal savings banks), and

(2) to issue charters therefor,

giving primary consideration of the best practices of thrift institutions in the United States. The lending and investment powers conferred by this section are intended to encourage such institutions to provide credit for housing safely and soundly.

(b) Deposits and related powers

(1) Deposit accounts

(A) Subject to the terms of its charter and regulations of the Comptroller of the Currency, a Federal savings association may—

(i) raise funds through such deposit, share, or other accounts, including demand deposit accounts (hereafter in this section referred to as “accounts”); and

(ii) issue passbooks, certificates, or other evidence of accounts.

(B) A Federal savings association may not permit any overdraft (including an intraday

overdraft) on behalf of an affiliate, or incur any such overdraft in such savings association’s account at a Federal reserve bank or Federal home loan bank on behalf of an affiliate.

All savings accounts and demand accounts shall have the same priority upon liquidation. Holders of accounts and obligors of a Federal savings association shall, to such extent as may be provided by its charter or by regulations of the Comptroller of the Currency, be members of the savings association, and shall have such voting rights and such other rights as are thereby provided.

(C) A Federal savings association may require not less than 14 days notice prior to payment of savings accounts if the charter of the savings association or the regulations of the Comptroller of the Currency so provide.

(D) If a Federal savings association does not pay all withdrawals in full (subject to the right of the association, where applicable, to require notice), the payment of withdrawals from accounts shall be subject to such rules and procedures as may be prescribed by the savings association’s charter or by regulation of the Comptroller of the Currency. Except as authorized in writing by the Comptroller of the Currency, any Federal savings association that fails to make full payment of any withdrawal when due shall be deemed to be in an unsafe or unsound condition.

(E) Accounts may be subject to check or to withdrawal or transfer on negotiable or transferable or other order or authorization to the Federal savings association, as the Comptroller of the Currency may by regulation provide.

(F) A Federal savings association may establish remote service units for the purpose of crediting savings or demand accounts, debiting such accounts, crediting payments on loans, and the disposition of related financial transactions, as provided in regulations prescribed by the Comptroller of the Currency.

In accordance with regulations issued by the Comptroller of the Currency, mutual capital certificates may be issued and sold directly to subscribers or through underwriters. Such certificates may be included in calculating capital for the purpose of subsection (t) of this section to the extent permitted by the Comptroller of the Currency. The issuance of certificates under this paragraph does not constitute a change of control or ownership under this chapter or any other law unless there is in fact a change in control or reorganization. Regulations relating to the issuance and sale of mutual capital certificates shall provide that such certificates—

(A) are subordinate to all savings accounts, savings certificates, and debt obligations;

(B) constitute a claim in liquidation on the general reserves, surplus, and undivided profits of the Federal savings association remaining after the payment in full of all savings accounts, savings certificates, and debt obligations;

(1) In general

Any savings association which is, or is eligible to become, a member of a Federal home loan bank may convert into a Federal savings association (and in so doing may change directly from the mutual form to the stock form, or from the stock form to the mutual form). Such conversion shall be subject to such regulations as the Comptroller shall prescribe. Thereafter such Federal savings association shall be entitled to all the benefits of

this section and shall be subject to examination and regulation to the same extent as other associations incorporated pursuant to this chapter.

(2) Authority of Comptroller

(A) No savings association may convert from the mutual to the stock form, or from the stock form to the mutual form, except in accordance with the regulations of the Comptroller.

(B) Any aggrieved person may obtain review of a final action of the Comptroller which approves or disapproves a plan of conversion pursuant to this subsection only by complying with the provisions of section 1467a(j) of this title within the time limit and in the manner therein prescribed, which provisions shall apply in all respects as if such final action were an order the review of which is therein provided for, except that such time limit shall commence upon publication of notice of such final action in the Federal Register or upon the giving of such general notice of such final action as is required by or approved under regulations of the Comptroller, whichever is later.

(v) when a stock savings association is dissolved after conversion, the stockholders will share on an equitable basis in the assets of the association; and

(vi) such conversion shall be effective upon the date that all the provisions of this chapter shall have been fully complied with and upon the issuance of a new charter by the State wherein the savings association is located.

(B)(i) The act of conversion constitutes consent by the institution to be bound by all the requirements that the Comptroller may impose under this chapter.

(i) any Federal savings bank chartered as such prior to October 15, 1982, may continue to make any investment or engage in any activity not otherwise authorized under this section, to the degree it was permitted to do so as a Federal savings bank prior to October 15, 1982; and

(ii) any Federal savings bank in existence on August 9, 1989, and formerly organized as a mutual savings bank under State law may continue to make any investment or engage in any activity not otherwise authorized under this section, to the degree it was authorized to do so as a mutual savings bank under State law.

(B) The authority conferred by this paragraph may be utilized by any Federal savings association that acquires, by merger or consolidation, a Federal savings bank enjoying grandfather rights hereunder.

(5) Conversion to national or State bank

(A) In general

Any Federal savings association chartered and in operation before November 12, 1999, with branches in operation before November 12, 1999, in 1 or more States, may convert, at its option, with the approval of the Comptroller for each national bank, and with the approval of the appropriate State bank supervisor and the appropriate Federal bank-

ing agency for each State bank, into 1 or more national or State banks, each of which may encompass 1 or more of the branches of the Federal savings association in operation before November 12, 1999, in 1 or more States subject to subparagraph (B).

(B) Conditions of conversion

The authority in subparagraph (A) shall apply only if each resulting national or State bank—

(i) will meet all financial, management, and capital requirements applicable to the resulting national or State bank; and

(ii) if more than 1 national or State bank results from a conversion under this subparagraph, has received approval from the Federal Deposit Insurance Corporation under section 5(a) of the Federal Deposit Insurance Act [12 U.S.C. 1815(a)].

(6) Limitation on certain conversions by Federal savings associations

A Federal savings association may not convert to a State bank or State savings association during any period in which the Federal savings association is subject to a cease and desist order (or other formal enforcement order) issued by, or a memorandum of understanding entered into with, the Office of Thrift Supervision or the Comptroller of the Currency with respect to a significant supervisory matter.

(j) Subscription for shares

[Repealed.]

(k) Depository of public money

When designated for that purpose by the Secretary of the Treasury, a savings association the deposits of which are insured by the Corporation shall be a depository of public money and may be employed as fiscal agent of the Government under such regulations as may be prescribed by the Secretary and shall perform all such reasonable duties as fiscal agent of the Government as may be required of it. A savings association the deposits of which are insured by the Corporation may act as agent for any other instrumentality of the United States when designated for that purpose by such instrumentality, including services in connection with the collection of taxes and other obligations owed the United States, and the Secretary of the Treasury may deposit public money in any such savings association, and shall prescribe such regulations as may be necessary to carry out the purposes of this subsection.

(l) Retirement accounts

A Federal savings association is authorized to act as trustee of any trust created or organized

in the United States and forming part of a stock bonus, pension, or profit-sharing plan which qualifies or qualified for specific tax treatment under section 401(d) of the Internal Revenue Code of 1986 [26 U.S.C. 401(d)] and to act as trustee or custodian of an individual retirement account within the meaning of section 408 of such Code [26 U.S.C. 408] if the funds of such trust or account are invested only in savings accounts or deposits in such Federal savings association or in obligations or securities issued by such Federal savings association. All funds held in such fiduciary capacity by any Federal savings association may be commingled for appropriate purposes of investment, but individual records shall be kept by the fiduciary for each participant and shall show in proper detail all transactions engaged in under this paragraph.

(m) Branching

(1) In general

(A) No savings association incorporated under the laws of the District of Columbia or organized in the District or doing business in the District shall establish any branch or move its principal office or any branch without the Director's⁴ prior written approval.

(B) No savings association shall establish any branch in the District of Columbia or move its principal office or any branch in the District without the Director's⁴ prior written approval.

(2) “Branch” defined

For purposes of this subsection the term “branch” means any office, place of business, or facility, other than the principal office as defined by the Comptroller, of a savings association at which accounts are opened or payments are received or withdrawals are made, or any other office, place of business, or facility of a savings association defined by the Comptroller as a branch within the meaning of such sentence.

(n) Trusts

(1) Permits

The Comptroller may grant by special permit to a Federal savings association applying therefor the right to act as trustee, executor, administrator, guardian, or in any other fiduciary capacity in which State banks, trust companies, or other corporations which compete with Federal savings associations are permitted to act under the laws of the State in which the Federal savings association is located. Subject to the regulations of the Comptroller, service corporations may invest in State or federally chartered corporations which are located in the State in which the home office of the Federal savings association is located and which are engaged in trust activities.

(2) Segregation of assets

A Federal savings association exercising any or all of the powers enumerated in this section shall segregate all assets held in any fiduciary capacity from the general assets of the association and shall keep a separate set of books

⁴So in original. Probably should be “Comptroller's”.

and records showing in proper detail all transactions engaged in under this subsection. The State banking authority involved may have access to reports of examination made by the Comptroller insofar as such reports relate to the trust department of such association but nothing in this subsection shall be construed as authorizing such State banking authority to examine the books, records, and assets of such associations.

(3) Prohibitions

No Federal savings association shall receive in its trust department deposits of current funds subject to check or the deposit of checks, drafts, bills of exchange, or other items for collection or exchange purposes. Funds deposited or held in trust by the association awaiting investment shall be carried in a separate account and shall not be used by the association in the conduct of its business unless it shall first set aside in the trust department United States bonds or other securities approved by the Comptroller.

(4) Separate lien

In the event of the failure of a Federal savings association, the owners of the funds held in trust for investment shall have a lien on the bonds or other securities so set apart in addition to their claim against the estate of the association.

(5) Deposits

Whenever the laws of a State require corporations acting in a fiduciary capacity to deposit securities with the State authorities for the protection of private or court trusts, Federal savings associations so acting shall be required to make similar deposits. Securities so deposited shall be held for the protection of private or court trusts, as provided by the State law. Federal savings associations in such cases shall not be required to execute the bond usually required of individuals if State corporations under similar circumstances are exempt from this requirement. Federal savings associations shall have power to execute such bond when so required by the laws of the State involved.

(6) Oaths and affidavits

In any case in which the laws of a State require that a corporation acting as trustee, executor, administrator, or in any capacity specified in this section, shall take an oath or make an affidavit, the president, vice president, cashier, or trust officer of such association may take the necessary oath or execute the necessary affidavit.

(7) Certain loans prohibited

It shall be unlawful for any Federal savings association to lend any officer, director, or employee any funds held in trust under the powers conferred by this section. Any officer, director, or employee making such loan, or to whom such loan is made, may be fined not more than \$50,000 or twice the amount of that person's gain from the loan, whichever is greater, or may be imprisoned not more than 5 years, or may be both fined and imprisoned, in the discretion of the court.

(8) Factors to be considered

In reviewing applications for permission to exercise the powers enumerated in this section, the Comptroller may consider—

(A) the amount of capital of the applying Federal savings association,

(B) whether or not such capital is sufficient under the circumstances of the case,

(C) the needs of the community to be served, and

(D) any other facts and circumstances that seem to it proper.

The Comptroller may grant or refuse the application accordingly, except that no permit shall be issued to any association having capital less than the capital required by State law of State banks, trust companies, and corporations exercising such powers.

(9) Surrender of charter

(A) Any Federal savings association may surrender its right to exercise the powers granted under this subsection, and have returned to it any securities which it may have deposited with the State authorities, by filing with the Comptroller a certified copy of a resolution of its board of directors indicating its intention to surrender its right.

(B) Upon receipt of such resolution, the Comptroller, if satisfied that such Federal savings association has been relieved in accordance with State law of all duties as trustee, executor, administrator, guardian or other fiduciary, may in the Director's⁴ discretion, issue to such association a certificate that such association is no longer authorized to exercise the powers granted by this subsection.

(C) Upon the issuance of such a certificate by the Comptroller, such Federal savings association (i) shall no longer be subject to the provisions of this section or the regulations of the Comptroller made pursuant thereto, (ii) shall be entitled to have returned to it any securities which it may have deposited with State authorities, and (iii) shall not exercise thereafter any of the powers granted by this section without first applying for and obtaining a new permit to exercise such powers pursuant to the provisions of this section.

(D) The Comptroller may prescribe regulations necessary to enforce compliance with the provisions of this subsection.

(10) Revocation

(A) In addition to the authority conferred by other law, if, in the opinion of the Comptroller, a Federal savings association is unlawfully or unsoundly exercising, or has unlawfully or unsoundly exercised, or has failed for a period of 5 consecutive years to exercise, the powers granted by this subsection or otherwise fails or has failed to comply with the requirements of this subsection, the Comptroller may issue and serve upon the association a notice of intent to revoke the authority of the association to exercise the powers granted by this subsection. The notice shall contain a statement of the facts constituting the alleged unlawful or unsound exercise of powers, or failure to exercise powers, or failure to comply, and shall fix a time and place at which a hear-

ing will be held to determine whether an order revoking authority to exercise such powers should issue against the association.

(B) Such hearing shall be conducted in accordance with the provisions of subsection (d)(1)(B) of this section, and subject to judicial review as therein provided, and shall be fixed for a date not earlier than 30 days and not later than 60 days after service of such notice unless the Comptroller sets an earlier or later date at the request of any Federal savings association so served.

(C) Unless the Federal savings association so served shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the issuance of the revocation order. In the event of such consent, or if upon the record made at any such hearing, the Comptroller shall find that any allegation specified in the notice of charges has been established, the Comptroller may issue and serve upon the association an order prohibiting it from accepting any new or additional trust accounts and revoking authority to exercise any and all powers granted by this subsection, except that such order shall permit the association to continue to service all previously accepted trust accounts pending their expeditious divestiture or termination.

(D) A revocation order shall become effective not earlier than the expiration of 30 days after service of such order upon the association so served (except in the case of a revocation order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable, except to such extent as it is stayed, modified, terminated, or set aside by action of the Comptroller or a reviewing court.

(o) Conversion of State savings banks

(1) Subject to the provisions of this subsection and under regulations of the Comptroller, the Comptroller may authorize the conversion of a State-chartered savings bank into a Federal savings bank, if such conversion is not in contravention of State law, and provide for the organization, incorporation, operation, examination, and regulation of such institution.

(2)(A) Any Federal savings bank chartered pursuant to this subsection shall continue to be insured by the Deposit Insurance Fund.

(B) The Comptroller shall notify the Corporation of any application under this chapter for conversion to a Federal charter by an institution insured by the Corporation, shall consult with the Corporation before disposing of the application, and shall notify the Corporation of the determination of the Comptroller with respect to such application.

(C) Notwithstanding any other provision of law, if the Corporation determines that conversion into a Federal stock savings bank or the chartering of a Federal stock savings bank is necessary to prevent the default of a savings bank it insures or to reopen a savings bank in default that it insured, or if the Corporation determines, with the concurrence of the Comptroller, that severe financial conditions exist that threaten the stability of a savings bank insured by the Corporation and that such a conversion

or charter is likely to improve the financial condition of such savings bank, the Corporation shall provide the Comptroller with a certificate of such determination, the reasons therefor in conformance with the requirements of this chapter, and the bank shall be converted or chartered by the Comptroller, pursuant to the regulations thereof, from the time the Corporation issues the certificate.

(D) A bank may be converted under subparagraph (C) only if the board of trustees of the bank—

(i) has specified in writing that the bank is in danger of closing or is closed, or that severe financial conditions exist that threaten the stability of the bank and a conversion is likely to improve the financial condition of the bank; and

(ii) has requested in writing that the Corporation use the authority of subparagraph (C).

(E)(i) Before making a determination under subparagraph (D), the Corporation shall consult the State bank supervisor of the State in which the bank in danger of closing is chartered. The State bank supervisor shall be given a reasonable opportunity, and in no event less than 48 hours, to object to the use of the provisions of subparagraph (D).

(ii) If the State supervisor objects during such period, the Corporation may use the authority of subparagraph (D) only by an affirmative vote of three-fourths of the Board of Directors. The Board of Directors shall provide the State supervisor, as soon as practicable, with a written certification of its determination.

(3) A Federal savings bank chartered under this subsection shall have the same authority with respect to investments, operations, and activities, and shall be subject to the same restrictions, including those applicable to branching and discrimination, as would apply to it if it were chartered as a Federal savings bank under any other provision of this chapter.

(p) Conversions

(1) Notwithstanding any other provision of law, and consistent with the purposes of this chapter, the Comptroller may authorize (or in the case of a Federal savings association, require) the conversion of any mutual savings association or Federal mutual savings bank that is insured by the Corporation into a Federal stock savings association or Federal stock savings bank, or charter a Federal stock savings association or Federal stock savings bank to acquire the assets of, or merge with such a mutual institution under the regulations of the Comptroller.

(2) Authorizations under this subsection may be made only—

(A) if the Comptroller has determined that severe financial conditions exist which threaten the stability of an association and that such authorization is likely to improve the financial condition of the association,

(B) when the Corporation has contracted to provide assistance to such association under section 13 of the Federal Deposit Insurance Act [12 U.S.C. 1823], or

(C) to assist an institution in receivership.

(3) A Federal savings bank chartered under this subsection shall have the same authority with respect to investments, operations and activities, and shall be subject to the same restrictions, including those applicable to branching and discrimination, as would apply to it if it were chartered as a Federal savings bank under any other provision of this chapter, and may engage in any investment, activity, or operation that the institution it acquired was engaged in if that institution was a Federal savings bank, or would have been authorized to engage in had that institution converted to a Federal charter.

(q) Tying arrangements

(1) A savings association may not in any manner extend credit, lease, or sell property of any kind, or furnish any service, or fix or vary the consideration for any of the foregoing, on the condition or requirement—

(A) that the customer shall obtain additional credit, property, or service from such savings association, or from any service corporation or affiliate of such association, other than a loan, discount, deposit, or trust service;

(B) that the customer provide additional credit, property, or service to such association, or to any service corporation or affiliate of such association, other than those related to and usually provided in connection with a similar loan, discount, deposit, or trust service; and

(C) that the customer shall not obtain some other credit, property, or service from a competitor of such association, or from a competitor of any service corporation or affiliate of such association, other than a condition or requirement that such association shall reasonably impose in connection with credit transactions to assure the soundness of credit.

(2)(A) Any person may sue for and have injunctive relief, in any court of the United States having jurisdiction over the parties, against threatened loss or damage by reason of a violation of paragraph (1), under the same conditions and principles as injunctive relief against threatened conduct that will cause loss or damage is granted by courts of equity and under the rules governing such proceedings.

(B) Upon the execution of proper bond against damages for an injunction improvidently granted and a showing that the danger of irreparable loss or damage is immediate, a preliminary injunction may issue.

(3) Any person injured by a violation of paragraph (1) may bring an action in any district court of the United States in which the defendant resides or is found or has an agent, without regard to the amount in controversy, or in any other court of competent jurisdiction, and shall be entitled to recover three times the amount of the damages sustained, and the cost of suit, including a reasonable attorney's fee. Any such action shall be brought within 4 years from the date of the occurrence of the violation.

(4) Nothing contained in this subsection affects in any manner the right of the United States or any other party to bring an action under any other law of the United States or of any State, including any right which may exist in addition to specific statutory authority, chal-

lenging the legality of any act or practice which may be proscribed by this subsection. No regulation or order issued by the Board under this subsection shall in any manner constitute a defense to such action.

(5) For purposes of this subsection, the term "loan" includes obligations and extensions or advances of credit.

(6) EXCEPTIONS.—The Board may, by regulation or order, permit such exceptions to the prohibitions of this subsection as the Board in⁵ consultation with the Comptroller and the Corporation, considers will not be contrary to the purposes of this subsection and which conform to exceptions granted by the Board pursuant to section 1972 of this title.

(r) Out-of-State branches

(1) No Federal savings association may establish, retain, or operate a branch outside the State in which the Federal savings association has its home office, unless the association qualifies as a domestic building and loan association under section 7701(a)(19) of the Internal Revenue Code of 1986 [26 U.S.C. 7701(a)(19)] or meets the asset composition test imposed by subparagraph (C) of that section on institutions seeking so to qualify, or qualifies as a qualified thrift lender, as determined under section 1467a(m) of this title. No out-of-State branch so established shall be retained or operated unless the total assets of the Federal savings association attributable to all branches of the Federal savings association in that State would qualify the branches as a whole, were they otherwise eligible, for treatment as a domestic building and loan association under section 7701(a)(19) or as a qualified thrift lender, as determined under section 1467a(m) of this title, as applicable.

(2) The limitations of paragraph (1) shall not apply if—

(A) the branch results from a transaction authorized under section 13(k) of the Federal Deposit Insurance Act [12 U.S.C. 1823(k)];

(B) the branch was authorized for the Federal savings association prior to October 15, 1982;

(C) the law of the State where the branch is located, or is to be located, would permit establishment of the branch if the association was a savings association or savings bank chartered by the State in which its home office is located; or

(D) the branch was operated lawfully as a branch under State law prior to the association's conversion to a Federal charter.

(3) The Comptroller of the Currency, for good cause shown, may allow Federal savings associations up to 2 years to comply with the requirements of this subsection.

(s) Minimum capital requirements

(1) In general

Consistent with the purposes of section 908 of the International Lending Supervision Act of 1983 [12 U.S.C. 3907] and the capital requirements established pursuant to such section by the appropriate Federal banking agencies (as defined in section 903(1) of such Act [12 U.S.C.

3902(1)]), the Comptroller of the Currency shall require all savings associations to achieve and maintain adequate capital by—

(A) establishing minimum levels of capital for savings associations; and

(B) using such other methods as the Comptroller of the Currency determines to be appropriate.

(2) Minimum capital levels may be determined by Comptroller of the Currency case-by-case

The Comptroller of the Currency may, consistent with subsection (t) of this section, establish the minimum level of capital for a savings association at such amount or at such ratio of capital-to-assets as the Comptroller of the Currency determines to be necessary or appropriate for such association in light of the particular circumstances of the association.

(3) Unsafe or unsound practice

In the discretion of the appropriate Federal banking agency, the appropriate Federal banking agency,⁶ may treat the failure of any savings association to maintain capital at or above the minimum level required by the Comptroller under this subsection or subsection (t) of this section as an unsafe or unsound practice.

(4) Directive to increase capital

(A) Plan may be required

In addition to any other action authorized by law, including paragraph (3), the appropriate Federal banking agency may issue a directive requiring any savings association which fails to maintain capital at or above the minimum level required by the appropriate Federal banking agency to submit and adhere to a plan for increasing capital which is acceptable to the appropriate Federal banking agency.

(B) Enforcement of plan

Any directive issued and plan approved under subparagraph (A) shall be enforceable under section 8 of the Federal Deposit Insurance Act [12 U.S.C. 1818] to the same extent and in the same manner as an outstanding order which was issued under section 8 of the Federal Deposit Insurance Act and has become final.

(5) Plan taken into account in other proceedings

The appropriate Federal banking agency may—

(A) consider a savings association's progress in adhering to any plan required under paragraph (4) whenever such association or any affiliate of such association (including any company which controls such association) seeks the approval of the appropriate Federal banking agency for any proposal which would have the effect of diverting earnings, diminishing capital, or otherwise impeding such association's progress in meeting the minimum level of capital required by the appropriate Federal banking agency; and

(B) disapprove any proposal referred to in subparagraph (A) if the appropriate Federal banking agency determines that the proposal would adversely affect the ability of the association to comply with such plan.

(t) Capital standards

(1) In general

(A) Requirement for standards to be prescribed

The appropriate Federal banking agency shall, by regulation, prescribe and maintain uniformly applicable capital standards for savings associations. Those standards shall include—

- (i) a leverage limit;
- (ii) a tangible capital requirement; and
- (iii) a risk-based capital requirement.

(B) Compliance

A savings association is not in compliance with capital standards for purposes of this subsection unless it complies with all capital standards prescribed under this paragraph.

(C) Stringency

The standards prescribed under this paragraph shall be no less stringent than the capital standards applicable to national banks.

(2) Content of standards

(A) Leverage limit

The leverage limit prescribed under paragraph (1) shall require a savings association to maintain core capital in an amount not less than 3 percent of the savings association's total assets.

(B) Tangible capital requirement

The tangible capital requirement prescribed under paragraph (1) shall require a savings association to maintain tangible capital in an amount not less than 1.5 percent of the savings association's total assets.

(C) Risk-based capital requirement

Notwithstanding paragraph (1)(C), the risk-based capital requirement prescribed under paragraph (1) may deviate from the risk-based capital standards applicable to national banks to reflect interest-rate risk or other risks, but such deviations shall not, in the aggregate, result in materially lower levels of capital being required of savings associations under the risk-based capital requirement than would be required under the risk-based capital standards applicable to national banks.

(B) Exception for agency activities

Subparagraph (A) shall not apply with respect to a subsidiary engaged, solely as agent for its customers, in activities not permissible for a national bank unless the appropriate Federal banking agency, in the sole discretion of the appropriate Federal banking agency, determines that, in the interests of safety and soundness, this subparagraph should cease to apply to that subsidiary.

(C) Other exceptions

Subparagraph (A) shall not apply with respect to any of the following:

(i) Mortgage banking subsidiaries

A savings association's investments in and extensions of credit to a subsidiary engaged solely in mortgage-banking activities.

(E) Consolidation of subsidiaries not separately capitalized

In determining compliance with capital standards prescribed under paragraph (1), the assets and liabilities of each of a savings association's subsidiaries (other than any subsidiary described in subparagraph (C)(ii)) shall be consolidated with the savings association's assets and liabilities, unless all of the savings association's investments in and extensions of credit to the subsidiary are deducted from the savings association's capital pursuant to subparagraph (A).

(6) Consequences of failing to comply with capital standards

(A) [Reserved].

(B) On or after January 1, 1991

On or after January 1, 1991, the appropriate Federal banking agency—

(i) shall prohibit any asset growth by any savings association not in compliance with capital standards, except as provided in subparagraph (C); and

(ii) shall require any savings association not in compliance with capital standards to comply with a capital directive issued by the appropriate Federal banking agency (which may include such restrictions, including restrictions on the payment of dividends and on compensation, as the appropriate Federal banking agency determines to be appropriate).

(C) Limited growth exception

The appropriate Federal banking agency may permit any savings association that is subject to subparagraph (B) to increase its assets in an amount not exceeding the amount of net interest credited to the savings association's deposit liabilities if—

(i) the savings association obtains the prior approval of the appropriate Federal banking agency;

(ii) any increase in assets is accompanied by an increase in tangible capital in an amount not less than 6 percent of the increase in assets (or, in the discretion of the appropriate Federal banking agency if the leverage limit then applicable is less than 6 percent, in an amount equal to the increase in assets multiplied by the percentage amount of the leverage limit);

(iii) any increase in assets is accompanied by an increase in capital not less in percentage amount than required under the risk-based capital standard then applicable;

(iv) any increase in assets is invested in low-risk assets, such as first mortgage loans secured by 1- to 4-family residences and fully secured consumer loans; and

(v) the savings association's ratio of core capital to total assets is not less than the ratio existing on January 1, 1991.

(D) Additional restrictions in case of excessive risks or rates

The appropriate Federal banking agency may restrict the asset growth of any savings association that the appropriate Federal banking agency determines is taking excessive risks or paying excessive rates for deposits.

(E) Failure to comply with plan, regulation, or order

The appropriate Federal banking agency may treat as an unsafe and unsound practice any material failure by a savings association to comply with any plan, regulation, or order under this paragraph.

(F) Effect on other regulatory authority

This paragraph does not limit any authority of the appropriate Federal banking agency under this chapter or any other provision of law.

(7) Exemption from certain sanctions

(A) Application for exemption

Any savings association not in compliance with the capital standards prescribed under

paragraph (1) may apply to the appropriate Federal banking agency for an exemption from any applicable sanction or penalty for noncompliance which the appropriate Federal banking agency may impose under this chapter.

(B) Effect of grant of exemption

If the appropriate Federal banking agency approves any savings association's application under subparagraph (A), the only sanction or penalty to be imposed by the appropriate Federal banking agency under this chapter for the savings association's failure to comply with the capital standards prescribed under paragraph (1) is the growth limitation contained in paragraph (6)(B) or paragraph (6)(C), whichever is applicable.

(C) Standards for approval or disapproval

(i) Approval

The appropriate Federal banking agency may approve an application for an exemption if the appropriate Federal banking agency determines that—

(I) such exemption would pose no significant risk to the Deposit Insurance Fund;

(II) the savings association's management is competent;

(III) the savings association is in substantial compliance with all applicable statutes, regulations, orders, and supervisory agreements and directives; and

(IV) the savings association's management has not engaged in insider dealing, speculative practices, or any other activities that have jeopardized the association's safety and soundness or contributed to impairing the association's capital.

(ii) Denial or revocation of approval

The appropriate Federal banking agency shall deny any application submitted under clause (i) and revoke any prior approval granted with respect to any such application if the appropriate Federal banking agency determines that the association's failure to meet any capital standards prescribed under paragraph (1) is accompanied by—

(I) a pattern of consistent losses;

(II) substantial dissipation of assets;

(III) evidence of imprudent management or business behavior;

(IV) a material violation of any Federal law, any law of any State to which such association is subject, or any applicable regulation; or

(V) any other unsafe or unsound condition or activity, other than the failure to meet such capital standards.

(D) Submission of plan required

Any application submitted under subparagraph (A) shall be accompanied by a plan which—

(i) meets the requirements of paragraph (6)(A)(ii); and

(ii) is acceptable to the appropriate Federal banking agency.

(E) Failure to comply with plan

The appropriate Federal banking agency shall treat as an unsafe and unsound practice any material failure by any savings association which has been granted an exemption under this paragraph to comply with the provisions of any plan submitted by such association under subparagraph (D).

(F) Exemption not available with respect to unsafe or unsound practices

This paragraph does not limit any authority of the appropriate Federal banking agency under any other provision of law, including section 8 of the Federal Deposit Insurance Act [12 U.S.C. 1818], to take any appropriate action with respect to any unsafe or unsound practice or condition of any savings association, other than the failure of such savings association to comply with the capital standards prescribed under paragraph (1).

(8) [Repealed].

(9) Definitions

For purposes of this subsection—

(A) Core capital

Unless the Comptroller prescribes a more stringent definition, the term "core capital" means core capital as defined by the Comptroller of the Currency for national banks, less any unidentifiable intangible assets.

(B) Tangible capital

The term "tangible capital" means core capital minus any intangible assets (as intangible assets are defined by the Comptroller for national banks).

(C) Total assets

The term "total assets" means total assets (as total assets are defined by the Comptroller of the Currency for national banks) adjusted in the same manner as total assets would be adjusted in determining compliance with the leverage limit applicable to national banks if the savings association were a national bank.

(10) Use of Comptroller's definitions

(A) In general

The standards prescribed under paragraph (1) shall include all relevant substantive definitions established by the Comptroller of the Currency for national banks.

(B) Special rule

If the Comptroller of the Currency has not made effective regulations defining core capital or establishing a risk-based capital standard, the appropriate Federal banking agency shall use the definition and standard contained in the Comptroller's most recently published final regulations.

(u) Limits on loans to one borrower

(1) In general

Section 5200 of the Revised Statutes [12 U.S.C. 84] shall apply to savings associations in the same manner and to the same extent as it applies to national banks.

(2) Special rules

(A) Notwithstanding paragraph (1), a savings association may make loans to one borrower under one of the following clauses:

(i) For any purpose, not to exceed \$500,000.

(ii) To develop domestic residential housing units, not to exceed the lesser of \$30,000,000 or 30 percent of the savings association's unimpaired capital and unimpaired surplus, if—

(I) the savings association is and continues to be in compliance with the fully phased-in capital standards prescribed under subsection (t) of this section;

(II) the appropriate Federal banking agency, by order, permits the savings association to avail itself of the higher limit provided by this clause;

(III) loans made under this clause to all borrowers do not, in aggregate, exceed 150 percent of the savings association's unimpaired capital and unimpaired surplus; and

(IV) such loans comply with all applicable loan-to-value requirements.

(B) A savings association's loans to one borrower to finance the sale of real property acquired in satisfaction of debts previously contracted in good faith shall not exceed 50 percent of the savings association's unimpaired capital and unimpaired surplus.

(3) Authority to impose more stringent restrictions

The appropriate Federal banking agency may impose more stringent restrictions on a savings association's loans to one borrower if the appropriate Federal banking agency determines that such restrictions are necessary to protect the safety and soundness of the savings association.

(v) Reports of condition**(1) In general**

Each association shall make reports of conditions to the appropriate Federal banking agency which shall be in a form prescribed by the appropriate Federal banking agency and shall contain—

(A) information sufficient to allow the identification of potential interest rate and credit risk;

(B) a description of any assistance being received by the association, including the type and monetary value of such assistance;

(C) the identity of all subsidiaries and affiliates of the association;

(D) the identity, value, type, and sector of investment of all equity investments of the associations and subsidiaries; and

(E) other information that the appropriate Federal banking agency may prescribe.

(2) Public disclosure

(A) Reports required under paragraph (1) and all information contained therein shall be available to the public upon request, unless the appropriate Federal banking agency determines—

(i) that a particular item or classification of information should not be made public in order to protect the safety or soundness of

the institution concerned or institutions concerned, or the Deposit Insurance Fund; or

(ii) that public disclosure would not otherwise be in the public interest.

(B) Any determination made by the appropriate Federal banking agency under subparagraph (A) not to permit the public disclosure of information shall be made in writing, and if the appropriate Federal banking agency restricts any item of information for savings institutions generally, the appropriate Federal banking agency shall disclose the reason in detail in the Federal Register.

(C) The determinations of the appropriate Federal banking agency under subparagraph (A) shall not be subject to judicial review.

(3) Access by certain parties

(A) Notwithstanding paragraph (2), the persons described in subparagraph (B) shall not be denied access to any information contained in a report of condition, subject to reasonable requirements of confidentiality. Those requirements shall not prevent such information from being transmitted to the Comptroller General of the United States for analysis.

(B) The following persons are described in this subparagraph for purposes of subparagraph (A):

(i) the Chairman and ranking minority member of the Committee on Banking, Housing, and Urban Affairs of the Senate and their designees; and

(ii) the Chairman and ranking minority member of the Committee on Banking, Finance and Urban Affairs of the House of Representatives and their designees.

(4) First tier penalties

Any savings association which—

(A) maintains procedures reasonably adapted to avoid any inadvertent and unintentional error and, as a result of such an error—

(i) fails to submit or publish any report or information required by the appropriate Federal banking agency under paragraph (1) or (2), within the period of time specified by the appropriate Federal banking agency; or

(ii) submits or publishes any false or misleading report or information; or

(B) inadvertently transmits or publishes any report which is minimally late,

shall be subject to a penalty of not more than \$2,000 for each day during which such failure continues or such false or misleading information is not corrected. The savings association shall have the burden of proving by a preponderance⁷ of the evidence that an error was inadvertent and unintentional and that a report was inadvertently transmitted or published late.

(5) Second tier penalties

Any savings association which—

(A) fails to submit or publish any report or information required by the appropriate Federal banking agency under paragraph (1)

⁷ So in original. Probably should be "preponderance".

or (2), within the period of time specified by the appropriate Federal banking agency; or

(B) submits or publishes any false or misleading report or information,

in a manner not described in paragraph (4) shall be subject to a penalty of not more than \$20,000 for each day during which such failure continues or such false or misleading information is not corrected.

(6) Third tier penalties

If any savings association knowingly or with reckless disregard for the accuracy of any information or report described in paragraph (5) submits or publishes any false or misleading report or information, the appropriate Federal banking agency may assess a penalty of not more than \$1,000,000 or 1 percent of total assets, whichever is less, per day for each day during which such failure continues or such false or misleading information is not corrected.

(7) Assessment

Any penalty imposed under paragraph (4), (5), or (6) shall be assessed and collected by the appropriate Federal banking agency in the manner provided in subparagraphs (E), (F), (G), and (I) of section 8(i)(2) of the Federal Deposit Insurance Act [12 U.S.C. 1818(i)(2)(E), (F), (G), (I)] (for penalties imposed under such section), and any such assessment (including the determination of the amount of the penalty) shall be subject to the provisions of such subsection.

(8) Hearing

Any savings association against which any penalty is assessed under this subsection shall be afforded a hearing if such savings association submits a request for such hearing within 20 days after the issuance of the notice of assessment. Section 8(h) of the Federal Deposit Insurance Act [12 U.S.C. 1818(h)] shall apply to any proceeding under this subsection.

(w) Forfeiture of franchise for money laundering or cash transaction reporting offenses

(1) In general

(A) Conviction of title 18 offense

(I) Duty to notify

If a Federal savings association has been convicted of any criminal offense under section 1956 or 1957 of title 18, the Attorney General shall provide to the Comptroller a written notification of the conviction and shall include a certified copy of the order of conviction from the court rendering the decision.

(II) Notice of termination; pretermination hearing

After receiving written notification from the Attorney General of such a conviction, the Comptroller shall issue to the savings association a notice of the intention of the Comptroller to terminate all rights, privileges, and franchises of the savings association and schedule a pretermination hearing.

(B) Conviction of title 31 offenses

If a Federal savings association is convicted of any criminal offense under section

5322 or 5324 of title 31 after receiving written notification from the Attorney General, the Comptroller may issue to the savings association a notice of the intention of the Comptroller to terminate all rights, privileges, and franchises of the savings association and schedule a pretermination hearing.

(C) Judicial review

Subsection (d)(1)(B)(vii) of this section shall apply to any proceeding under this subsection.

(2) Factors to be considered

In determining whether a franchise shall be forfeited under paragraph (1), the Comptroller shall take into account the following factors:

(A) The extent to which directors or senior executive officers of the savings association knew of, were⁸ involved in, the commission of the money laundering offense of which the association was found guilty.

(B) The extent to which the offense occurred despite the existence of policies and procedures within the savings association which were designed to prevent the occurrence of any such offense.

(C) The extent to which the savings association has fully cooperated with law enforcement authorities with respect to the investigation of the money laundering offense of which the association was found guilty.

(D) The extent to which the savings association has implemented additional internal controls (since the commission of the offense of which the savings association was found guilty) to prevent the occurrence of any other money laundering offense.

(E) The extent to which the interest of the local community in having adequate deposit and credit services available would be threatened by the forfeiture of the franchise.

(3) Successor liability

This subsection shall not apply to a successor to the interests of, or a person who acquires, a savings association that violated a provision of law described in paragraph (1), if the successor succeeds to the interests of the violator, or the acquisition is made, in good faith and not for purposes of evading this subsection or regulations prescribed under this subsection.

(4) "Senior executive officer" defined

The term "senior executive officer" has the same meaning as in regulations prescribed under section 32(f) of the Federal Deposit Insurance Act [12 U.S.C. 1831i(f)].

(x) Home State citizenship

In determining whether a Federal court has diversity jurisdiction over a case in which a Federal savings association is a party, the Federal savings association shall be considered to be a citizen only of the State in which such savings association has its home office.
