ORDER

KATHERINE B. FORREST, District Judge:

The Court notes that plaintiffs' joint motion for reconsideration of dismissal of the London Metal Exchange (the "LME") on foreign sovereign immunity grounds without leave to replead (ECF No. 578) is now fully briefed. The Court intends to rule on this motion shortly, but not before the proposed amended complaints are filed. The Court further notes that although the LME is no longer a party to this case, plaintiffs may, in their amended complaints (which are due to be filed Thursday, October 9, 2014), set forth any new factual allegations not previously brought to the Court's attention that bear on the LME's role in the alleged antitrust conspiracy.

SO ORDERED.
