CIVIL NO. _____

**[Proposed]
STIPULATED
PERMANENT
INJUNCTION AND FINAL
ORDER AGAINST
DEFENDANT PROCESS
AMERICA, INC.**

Plaintiff, the Federal Trade Commission (“FTC” or the “Commission”), has, concurrently herewith, filed its Complaint against Defendants Process America, Inc. (“Process America”), Craig Rickard (“Rickard”), Kim Ricketts (“Ricketts”), and Keith Phillips (“Phillips”), for a permanent injunction and other equitable relief in this action, pursuant to Section 13(b) of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. § 53(b).

On November 12, 2012, Defendant Process America filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.*, in the United States Bankruptcy Court, Central District of California (San Fernando Valley Division) (the “Bankruptcy Court”) entitled *In Re Process America, Inc.*, Case No. 1:12-bk-19998-MT (the

“Bankruptcy Case”). On January 31, 2013, the Bankruptcy Court appointed Brad W. Smith, Managing Director of GlassRatner Advisory & Capital Group LLC (“GlassRatner”), as the Chief Restructuring Officer (the “Bankruptcy CRO”) for Defendant Process America with the authority to oversee, manage, and make decisions for Process America.

The Commission’s action against Defendant Process America, including the enforcement of a judgment other than a money judgment obtained in this action, is not stayed by 11 U.S.C. § 362(1), (2), (3), or (6), because the action is an exercise of the Commission’s police or regulatory power as a governmental unit pursuant to 11 U.S.C. § 362(b)(4), and, thus, falls within an exception to the automatic stay.

Subject to the prior approval of the Bankruptcy Court, which was obtained, *see* Exhibit A attached hereto, the Commission and Defendant Process America, by and through Brad W. Smith, solely in his capacity as the Chief Restructuring Officer for Process America, hereby stipulate to the entry of this Stipulated Permanent Injunction and Final Order (“Order”) to resolve all matters in dispute in this action between them.

Filed previously or in conjunction with this Stipulated Final Judgment and Order as to Defendant Process America are: (1) “Stipulated Order for Final Judgment and Order for Permanent Injunction and Other Equitable Relief as to Defendants Kim Ricketts and Keith Phillips;” and (2) “Stipulated Order for Final Judgment and Order for Permanent Injunction and Other Equitable Relief as to Defendant Craig Rickard.”

THEREFORE, it is STIPULATED, AGREED, AND ORDERED as follows:

FINDINGS

1. This Court has jurisdiction over the subject matter and all of the parties.
2. In its Complaint, the FTC charges that Defendants engaged in unfair acts or practices in violation of Section 5 of the FTC Act, 15 U.S.C. § 45(a), by enabling merchants to impose unauthorized charges to consumers' credit and debit card accounts.
3. Defendant neither admits nor denies any of the allegations in the Complaint, except as specifically stated in the Order. Only for purposes of this action, Defendant admit the facts necessary to establish jurisdiction.
4. The Bankruptcy CRO has filed a motion in the Bankruptcy Case and obtained the Bankruptcy Court's approval to enter into this Order and take any and all actions necessary and appropriate to implement and effectuate the terms and conditions of this Order.
5. Defendant has entered into this Order freely and without coercion, and Defendant acknowledges that it has read the provisions of this Order and is prepared to abide by them.
6. Plaintiff and Defendant have agreed that the entry of this Order resolves all matters of dispute between them arising from the Complaint in this action, up to the date of entry of this Order.
7. Defendant waives all rights to seek appellate review or otherwise challenge or contest the validity of this Order. Defendant further waives and releases any claim it may have against Plaintiff, its employees, representatives, or agents.
8. Defendant waives any claim that it may hold under the Equal Access to Justice Act, 28 U.S.C. § 2412, concerning the prosecution of this action through the date of this Order, and agrees to bear its own costs and attorney's fees.

9. Entry of this Order is in the public interest.

ORDER

DEFINITIONS

For the purpose of this Order, the following definitions shall apply:

1. “ACH Debit” means any completed or attempted debit to a Person’s account at a financial institution that is processed electronically through the Automated Clearing House Network.

2. “Chargeback” means a procedure whereby an issuing bank or other financial institution charges all or part of an amount of a Person’s credit or debit card transaction back to the acquiring or merchant bank.

3. “Chargeback Rate” means the proportion (expressed as a percentage) of chargebacks out of the total number of attempted credit or debit card sales transactions, calculated separately for each payment card association (e.g., American Express, Discover Card, MasterCard, or Visa).

4. “Client” means any Person (a) who obtains, directly or indirectly, from Defendant a merchant account that enables the acceptance of payments from a consumer for goods, services, or charitable donations; or (b) for whom Defendants act as a Sales Agent, either directly or indirectly.

5. “Defendant” means Process America, Inc. and its successors and assigns. *Provided that*, Process America, Inc. and its successors and assigns are excluded from the definition of Defendant for purposes of Section I – IX of this Order until such time as Process

America Inc., its successors or its assigns resume acting as a Sales Agent, ISO or Payment Processor.

6. “Individual Defendant” and “Individual Defendants” mean, individually or collectively, Kim Ricketts, Keith Phillips, and Craig Rickard.

7. “Independent Sales Organization” or “ISO” means any Person that (a) enters into an agreement or contract with a Payment Processor to sell or market Payment Processing services to a merchant; and (b) holds, directly or indirectly, either partial or full liability in the event of losses related to the Payment Processing activities conducted by or on behalf of the merchant.

8. “Infusion Media” means the entities and individuals named as defendants in *FTC v. Infusion Media, Inc.*, Case No. 2:09-cv-01112-RCJ-LRL (D. Nev., filed June 22, 2009), and includes Infusion Media, Inc., Two Part Investments LLC, Two Warnings LLC, Western Networks LLC, Red Vista, LLC, Red Bluff, LLC, Raven Capital Partners, LLC, and any other entity owned or controlled by Jonathan Eborn, Michael McClain Miller, or Stephanie Burnside during the time period July 2008 through June 2009.

9. “Money Making Opportunities” means any good or service represented to enable consumers or to assist consumers to earn income by working from home, or to obtain employment for an upfront fee, investment opportunities, or scholarships.

10. “Negative Option Feature” means, in an offer or agreement to sell or provide any product or service, a provision under which the consumer’s silence or failure to take an affirmative action to reject products or services or to cancel the agreement is interpreted by the Client, seller or merchant as acceptance of the offer. Offers or agreements with Negative Option Features include, but are not limited to: (a) free or introductory price trial offers in which the

consumer receives a product or service for free or at a nominal or introductory price for an initial period and will incur an obligation to pay or pay a greater amount for the product or service if he or she does not take affirmative action to cancel, reject, or return the product or service before the end of that period; (b) continuity plans in which, subsequent to the consumer's agreement to the plan, the seller or provider automatically ships products to a consumer unless the consumer notifies the seller or provider within a certain time not to ship the products; and (c) automatic renewal plans in which the seller or provider automatically renews the agreement and charges the consumer unless the consumer cancels before the renewal.

11. "Outbound Telemarketing" means a plan, program, or campaign which is conducted to induce the purchase of goods or services or a charitable contribution in which the telephone calls are initiated by the Person engaged in telemarketing as opposed to the customer or donor.

12. "Payment Processing" means providing a Person, directly or indirectly, with the means used to charge or debit accounts through the use of any payment mechanism, including, but not limited to, Remotely Created Payment Orders, Remotely Created Checks, ACH Debits, or debit, credit, prepaid, or stored value cards. Whether accomplished through the use of software or otherwise, Payment Processing includes, among other things: (a) reviewing and approving merchant applications for payment processing services; (b) providing the means to transmit sales transaction data from merchants to acquiring banks or other financial institutions; (c) clearing, settling, or distributing proceeds of sales transactions from acquiring banks or financial institutions to merchants; or (d) processing Chargebacks or returned Remotely Created Payment Orders, Remotely Created Checks, or ACH Debits.

13. “Payment Processor” means any Person providing Payment Processing services in connection with another Person’s sale of goods or services, or in connection with any charitable donation.

14. “Person” means any natural person or any entity, corporation, partnership, or association of persons.

15. “Remotely Created Check” or “RCC” means a check that is not created by the paying bank and that does not bear a signature applied, or purported to be applied, by the Person on whose financial account the check is drawn. A remotely created check is often also referred to as a “demand draft,” “telephone check” or “preauthorized draft.” For purposes of this definition, a remotely created check originates as a paper-based transaction, but can be processed subsequently through electronic means (such as through check imaging or scanning) or through non-electronic means.

16. “Remotely Created Payment Order” or “RCPO” means a payment instruction or order drawn on a Person’s financial account that is initiated or created by the payee and that does not bear a signature applied, or purported to be applied, by the Person on whose financial account the order is drawn, and which is deposited into or cleared through the check clearing system. For purposes of this definition, unlike a Remotely Created Check, a Remotely Created Payment Order does not originate as a paper-based transaction. A Remotely Created Payment Order is created when a payee directly or indirectly enters financial account and routing numbers into an electronic check template that is converted into an electronic file for deposit into the check clearing system.

17. “Representatives” means the Defendants’ officers, agents, servants, employees, attorneys, and those Persons in active concert or participation with them who receive actual notice of this Order by personal service or otherwise.

18. “Sales Agent” means a Person that matches, arranges, or refers prospective Clients or Clients to a Payment Processor or ISO for Payment Processing, but does not hold any contractual liability in the event of losses related to the Payment Processing activities conducted by or on behalf of Clients. As such, a Sales Agent may be involved in recommending a particular Payment Processor or ISO to a prospective Client, forwarding to the Payment Processor or ISO a prospective Client’s or Client’s merchant application, or negotiating rates and fees charged by a Payment Processor or ISO, but a Sales Agent may not be involved in any Payment Processing and may not act as an ISO.

19. “Total Return Rate” means the proportion (expressed as a percentage) of all attempted ACH Debit, RCC or RCPO transactions that are returned for any reason, whether before or after payment, out of the total number of such attempted transactions, calculated separately for each transaction type.

20. The words “and” and “or” shall be understood to have both conjunctive and disjunctive meanings.

III.

REASONABLE SCREENING OF PROSPECTIVE CLIENTS

IT IS FURTHER ORDERED that Defendant, and its Representatives, whether acting directly or through any corporation, subsidiary, division, or other device, is permanently restrained and enjoined from Payment Processing or acting as an ISO or Sales Agent for any prospective Client without first engaging in a reasonable screening of the prospective Client to determine whether the prospective Client's business practices are, or are likely to be, deceptive or unfair within the meaning of Section 5 of the FTC Act. Such reasonable screening shall include, but not be limited to:

- A. Obtaining from each prospective Client, including the principal(s) and controlling person(s) of the entity, person(s) who have a majority ownership interest in the entity, and any corporate name, trade name, fictitious name or aliases under which such person(s) do or have done business:

 - i. placed in a payment card association’s chargeback monitoring program; or
 - ii. the subject of legal action taken by the Commission or any other state or federal law enforcement agency;
- B. Taking reasonable steps to assess the accuracy of the information provided pursuant to Section III.A of this Order, including but not limited to reviewing, from an IP address that is not associated with Defendant, the Internet websites used by the prospective Client to market its goods or services, and obtaining and reviewing copies of monthly Payment Processing statements issued by any bank and Payment Processor used by the prospective Client during the preceding six (6) months; and
- C. Obtaining and reviewing all current marketing materials for each good or service related to the offer for which Defendant would provide the prospective Client with Payment Processing, ISO, or Sales Agent services.

MONITORING OF CLIENTS

IT IS FURTHER ORDERED that Defendant, and its Representatives, whether acting directly or through any corporation, subsidiary, division, or other device, is permanently restrained and enjoined from the following conduct when it engages in Payment Processing:

- A. Failing to monitor each Client's transactions to ensure that the Client is not engaged in practices that are deceptive or unfair in violation of Section 5 of the FTC Act. Such monitoring shall include, but not be limited to, regularly reviewing Clients' websites from an IP address that is not associated with Defendant, regularly reviewing each Client's Chargeback Rates, Total Return Rates, and reasons provided for these rates, as well as examining any unusual or suspect transaction patterns, values, and volume;
- B. Failing to calculate and update at least on a monthly basis for each Client the Chargeback Rate and Total Return Rate. Such calculations must include all transactions processed by Defendants since the commencement of the processing relationship with such Client. The Chargeback Rate and Total Return Rate shall be calculated separately for each payment mechanism processed, including ACH Debits, credit and debit card transactions, and any other transactions conducted via alternative payment mechanisms. For any Client with multiple processing accounts, the calculation of the Chargeback Rate and Total Return Rate shall be made for each of the Client's individual processing accounts, and in the aggregate for each Client;
- C. For any Client whose Total Return Rate exceeds two and one-half percent (2.5%) or Chargeback Rate exceeds one percent (1%) as calculated under Section IV.B of this

Order, failing to immediately and permanently terminate all Payment Processing services if the Client:

D. For all other Clients, failing to immediately conduct a reasonable investigation of the cause of any Total Return Rate exceeding two and one-half percent (2.5%) or Chargeback Rate exceeding one percent (1%) as calculated under Section IV.B of this Order. Such reasonable investigation shall include:

- i. During the investigation, Defendant shall suspend all Payment Processing services for the Client under investigation. If Defendant does not have the contractual authority to suspend Payment Processing services for the Client under investigation, Defendant will provide written notice to any entities that do have contractual authority to suspend Payment Processing services for the Client, including any ISOs and acquiring banks. Such notice shall state prominently that the Client is being investigated by Defendant pursuant to a Stipulated Order with the Federal Trade Commission, and the notice shall recommend that the recipient suspend

Payment Processing services for the Client during the period of investigation.

- ii. Reasonable investigation includes but is not limited to verifying and updating the truth and accuracy of information gathered in compliance with Section III of this Order and any other advertising of the Client; confirming that the Client has obtained required consumer authorizations for the transactions; contacting consumers, financial institutions, and Better Business Bureaus to gather detailed information, including complaints and other relevant information, regarding the Client; searching publically available sources for legal actions taken by the Commission or other state or federal law enforcement agencies against the Client; and conducting “test” shopping to determine the Client’s sales practices, where possible;
- iii. At the completion of the investigation, Defendant shall not recommence, or recommend the recommencement of, Payment Processing services for the Client under investigation unless Defendant has made a written report that establishes facts that demonstrates, by clear and convincing evidence, that the Client’s business practices, related to the offer(s) for which Defendant provides Payment Processing services, were not and are not a deceptive or unfair act or practice in violation of Section 5 of the FTC Act, as described in Section II of this Order. If Defendant gave written notice of their investigation to any other business pursuant to Section IV.D.i,

Defendant shall provide a copy of its written report to those businesses after concluding their investigation.

Nothing in this Section IV shall be read to insulate the Defendant from liability for a violation of Section 5 of the FTC Act or any provision of this Order.
