- Drug testing, genetic testing, and polygraph testing
- Family, medical and parental leave (including domestic violence and crime victim leave; military family leave; organ, bone marrow, and blood donation leave; paid sick leave; pregnancy, maternity, and paternity leave; and school visitation leave), holidays/vacations, jury duty leave, military and emergency services leave, voting leave
- Fair employment practices (including age, disability, marital status, pregnancy and maternity, religious, and sexual orientation discrimination)
- Health insurance benefit coverage and continuation
- Minimum wages, overtime, maximum hours, meals and rest periods, wage payment
- Pre-employment inquiries
- Plant closing
- Record keeping and posting
- Smoking in the workplace
- Violence in the workplace
- Unemployment insurance, new hire reporting
- Whistleblower protection
- Workers’ compensation

CCH® FMLA-ADA Leave Advisor

The CCH FMLA-ADA Leave Advisor is designed for HR personnel who must administer requests for leave, or for attorneys who advise employers of their obligations under leave laws.

It takes you through the maze of federal leave laws by using interactive questions. Once the questions are answered, the Advisor generates a detailed analysis for your records.

The Advisor also helps you determine whether a leave request falls under the Family & Medical Leave Act (FMLA), is a request for reasonable accommodation under the Americans with Disabilities Act (ADA), or is both or neither.

News and Recent Developments

HR Tracker™ and State Employment Law Tracker™
Tracker is a customizable daily news service where you select the type of news to receive each day. You can also select Tracker options that will alert you to any new information posted each day.

The State Employment Law Tracker and the HR Tracker are complimentary with your subscription to the HR Compliance Library.

Employment NetNews™
A complimentary service, Employment NetNews delivers a weekly news summary of HR compliance issues and employment law trends, as well as other topics related to day-to-day workplace matters.

Ideas and Trends™ Newsletter
This monthly newsletter offers in-depth discussions of industry topics with an emphasis on practical guidance.

Each issue features exclusive interviews with HR policymakers, colleagues and experts. It also brings you case studies, industry survey results and practice tips.
The HR Compliance Library includes the Topic Navigator research tool that serves as a single topically-organized road map to the Library’s contents. It enables you to search or browse the library—by topic or by type of content—so that you can find what you need quickly and easily.

Topic Navigator enables you to easily locate information within these topical categories:

- Benefits
- Compensation
- Discrimination and Retaliation
- Employee Relations
- HR Management
- Organizational and Employee Development
- Safety, Security, Risk Management
- Staffing
- Unions

Or, alternatively, you can navigate within these types of documents:

- Quick Answers
- Analysis and Guidance
- Issues and Answers
- Sample Documents
- Tools
- Training

Go directly to the type of information that best answers your question, whether it is in-depth analysis, a quick answer, or just a sample policy or form!
The CCH Labor & Employment Law Library combines CCH content with Aspen Publishers treatises to give you a single authoritative source for labor and employment law. Specialized, authoritative CCH content includes the full breadth of fair employment practices, labor relations and disabilities law at the federal and state levels, providing primary source research materials, annotated explanations and timely updates of news and current developments.

Aspen Publishers treatises feature expert analysis and practical guidance covering employee terminations, disabilities law and practice, employment discrimination litigation, sexual harassment in the workplace, covenants not to compete, and immigration law.

This Library offers:
- More than 200,000 labor and employment cases dating back to 1937
- Twenty-one labor and employment research publications and treatises
- State and Federal Employment Law Compare, a tool for comparing topics across multiple jurisdictions
- The largest collection of Labor Arbitration awards and decisions

The Library includes:

**Employment Law**
- Employment Practices Guide
- Wages-Hours
- EEOC Compliance Manual
- Accommodating Disabilities Decisions
- Accommodating Disabilities Management Guide
- State and Federal Employment Law Library

The **CCH U.S. Master Human Resources Guide** provides a foundation for the application of sound human resources practices in business and also for teaching in the academic setting. The Guide reflects the most recent cases, government studies and legislation affecting human resources management.

The 2011 edition of the Guide features:

- In-depth discussion of the latest HR challenges, such as the March 23, 2010, enactment of the Patient Protection and Affordable Care Act.
- Guidance on the practice of using individuals, typically students, as unpaid “interns” (or trainees, externs, apprentices, or assistants). Unpaid internships are illegal unless they meet the U.S. Department of Labor’s rigid requirements.
- Information about Executive Order 13496, effective June 21, 2010, requiring federal contractors and their subcontractors to post notices informing employees of their rights under the NLRA.
- Six important decisions of the U.S. Supreme Court during 2010 that impacted HR.

With fundamental tools for understanding and complying with employment law, this resource guides you through key concepts in complying with current law. It examines rights and protections employees have under the law and explains the correct actions employers should take to avoid liability—as well as how to reduce the risk of liability should legal action begin against a company.

The **Manual** covers everything from interviewing and hiring to termination. It offers guidance on issues such as documentation, time off, employees with disabilities, discipline, and performance appraisals.

Offers expert guidance on the sensitive issue of sexual harassment in the workplace. Thorough and easy to understand, the manual answers the critical questions often faced by management.

Written by Dr. John Sullivan, one of the industry’s most respected thinkers, **Rethinking Strategic HR** takes a forward-thinking look at placing a smarter, more powerful HR strategy into any organization. Tossing out the conventional approach, this provocative book is a hard-hitting guide to HR strategy that will challenge you to think in bold new ways.

Written by Brent Longnecker, a leading authority on compensation trends, this book examines compensation from the employee’s and employer’s perspectives. It discusses how to attract, retain and motivate employees through a robust compensation plan. It helps the HR executive understand how compensation plans must align with organizational design and corporate strategy.

### CCH® HR How-to Book Series

These titles give real-world answers from HR professionals regarding the important HR issues of today.

Written in a clear, conversational style, the series covers the topics and questions often asked by HR professionals.

Content is explained in easy-to-follow terms, then is demonstrated through “stories” that apply the concepts to real-life workplace settings.

Individual titles in the series include:

- Discipline
- Employee Retention
- Employment Law
- Harassment Prevention
- Internal Investigations
- Inter-generational Issues
- Performance Management
- Recruiting and Hiring
- Work-Life Benefits
- Workplace Privacy
- Workplace Safety
- Workplace Violence Prevention
