Loislaw addresses this need through our Primary Law Collections - comprehensive compilations of **state and federal cases, statutes and acts, administrative rules and regulations, court rules, and other primary law for all 50 states and federal jurisdictions**. Content is continuously updated, with new cases posted every day and millions of pages of legal knowledge added annually to ensure the most up-to-date content available. Our 99.99% accuracy rating means practitioners have access to information they can trust, so they can make more informed decisions.
