PRACTICE AREAS

You can tailor the content that is available for research by creating up to 20 custom content sets (Practice Area profiles). Click **Practice Areas** in the menu bar at the top right or at the top of the **Browse Tree** to customize your research content. Then use the Search/Browse drop-down to select which Practice Area profile you wish to use. *Note: Favorites are independent of Practice Area profiles.*

Click **Create New**, type in a name, select your desired content, and then **Save** or **Save & Close**. *Optional: Choose "Do not show" if you wish to hide the profile on the Search/Browse drop-down menu.*
