Case Details

According to the lawsuit, defendants made false and/or misleading statements and/or failed to disclose that:

- Jensen Huang had an affair with a suspected Chinese spy, who also has a role at a company called Megaspeed, which is suspected of helping China evade export controls;
- as such, Nvidia's statements about its relationship with Megaspeed were materially false and misleading at all relevant times;
- the foregoing raised concerns in the national security community about Nvidia and, if revealed, presented a material risk to the Company's reputation and business prospects; and
- as a result, defendants' public statements were materially false and/or misleading at all relevant times.

No Class Has Been Certified. Until a class is certified, you are not represented by counsel unless you retain one. You may select counsel of your choice. You may also remain an absent class member and do nothing at this point. An investor's ability to share in any potential future recovery is not dependent upon serving as lead plaintiff.
